Wallington Wines Wine Club – Becoming a Wine Wally

At Wallington Wines we pride ourselves on providing visitors with an experience that they will enjoy and remember. Now we know not everyone can visit our Cellar Door in Canowindra, so what better way than to personally receive our wines and love through becoming a Wine Wally.

Our aim to our members is to create an experience as you get from visiting the Cellar Door via receiving exclusive deals, up to date stories and information on the goings on of Marg and all things Wallington Wines.

What you will expect from becoming a Wine Wally

- We will send out a half dozen case of wine to you twice a year. This can be of your choosing or leave it up to us to fill the box.
- Upon sign up you will receive a complementary bottle of olive oil.
- Freight to the eastern sea board included.
- You will always receive 15% off all Wallington Wines, oil and extras.
- Receive 15% off our farm stay cottage on the property.
- Exclusive first round access to any deals and invitations to events.
